COMMON APPLICATION FORM FOR FILM CERTIFICATION

In furtherance of our proactive measures to enhance the ease of film certification, we have unified the earlier four types of Application Forms (I, IA, II, IIA) into a single integrated form (**COMMON APPLICATION FORM**). This is an important step in simplification of Online Film Application System, and will directly benefit over 15,000 registered users of CBFC. The new Common Application Form (CAF) has been made operational on the e-cinepramaan portal w.e.f. 9th August 2021.

The CAF uses simpler terminology, that would help applicants to easily fill the online Form. The various fields on the older Forms, having become redundant now, are now removed. Form size has been greatly reduced, especially for the short Film applications. The new CAF also has provisions for entering 'Genre/Kind of Film' apart from giving a free-text field to filmmakers to provide any additional information pertaining to their application/film (eg. Scheduled release date, whether the film would be dubbed for simultaneous release, information related to court cases about the film, etc.).

The draft of the new Common Application Form is enclosed herewith. For any help/assistance, please contact the concerned CBFC regional office. Alternatively, please call our helpline nos. 022 4090 4654 / 022 4090 4653 or email us at cbfcsupport@nsdl.co.in
